

Supplement No. 1

to the Agreement between the Telecommunications Administrations of Estonia and Latvia concerning use of the frequency band 1805-1880 MHz/ 1710- 1785 MHz for the Land Mobile Service in the border area (Tallinn, 17.05.2007)

The Electronic Communications Office of the Republic of Latvia and the Consumer Protection and Technical Regulatory Authority of the Republic of Estonia have agreed to modify the "Agreement between the Telecommunications Administrations of Estonia and Latvia concerning use of the frequency band 1805-1880 MHz/ 1710-1785 MHz for the Land Mobile Service in the border area" (Tallinn, 17.05.2007) as follows here below:

Addition of Article 3¹ and item 3.1¹:

3¹. Operators arrangement

3.1¹. Operators concerned may agree to deviate from field strength level in item 3.1, 3.2 by mutual consent, concluding an arrangement between operators with the consent of the Parties concerned. Such operator arrangement shall only be valid as long as all participating operators hold exclusive rights of use of concerned frequencies."

Signed by correspondence.

On behalf of the Electronic
Communications Office of the
Republic of Latvia

On behalf of the Consumer
Protection and Technical
Regulatory Authority of the
Republic of Estonia
